

## **2026 Fall North & South Hunt Club**

The **Fall North & South Membership Package** has been designed to give members access to over 133,000 acres of diverse habitat, offering members unparalleled access to one of California's most remarkable landscapes. From rolling grasslands and oak-covered hillsides to rugged canyons and expansive valleys, this area provides a truly unique setting for outdoor recreation and hunting.

The 2026 Fall North & South Membership season runs from **September 1, 2026 through January 31, 2027**, giving members five months to explore, hunt, and enjoy all that the North & South area has to offer.

As with all Tejon Ranch memberships, North & South Membership represents more than access to land – it reflects a shared commitment to ethical hunting, and the legacy of California's largest contiguous expanse of private property.

As a member, you may choose from two distinct membership options based on your interests:

(A limited number of memberships are available for the 2026 Fall North and South)

- A Small Game Hunting Membership for those who want to focus on small game opportunities.
- A Small Game & Pig Hunting Membership, which combines small game hunting with the added benefit of pig hunting and additional guest access.

Members of the North & South Hunt Club will have the ability to use cabins within both hunt club areas, seasonal camp opportunities (Oso and Canary Camp), as well as dry camping at the campsites located at Crane Canyon and Vaquero. All the lodging opportunities will be subject to availability. All cabin lodging requires a two-night stay beginning on Monday, Wednesday or Friday.

Full details of each package – including rules, maps, and guidelines – are provided on the following pages. Please review carefully before making your selection.
