

2026 Fall South Hunt Club

The South Membership Area at Tejon Ranch spans over 76,000 acres of diverse wildlands, offering members unparalleled access to one of California's most remarkable landscapes. From rolling grasslands and oak-covered hillsides to rugged canyons and expansive valleys, this area provides a truly unique setting for outdoor recreation, hunting and fishing.

The 2026 Fall South Membership season runs from September 1, 2026 through January 31, 2027, giving members five months to explore, hunt, fish and enjoy all that the South area has to offer.

As with all Tejon Ranch memberships, South Membership represents more than access to land — it reflects a shared commitment to ethical hunting, and the legacy of California's largest contiguous expanse of private property.

As a member, you may choose from two distinct membership options based on your interests:

- A Small Game Hunting Membership for those who want to focus on small game opportunities.
- A Small Game & Pig Hunting Membership, which combines small game hunting with the added benefit of pig hunting and additional guest access.

Members of the South Hunt Club will have the ability to rent cabins within the South Hunt Club area as well as dry camping at the campsite located at Crane Canyon. All the lodging opportunities will be subject to availability. All Cabins require a one Night Minimum Stay.

Full details of each package — including rules, maps, and guidelines — are provided on the following pages. Please review carefully before making your selection.
